<b>Comments / Suggestion (if any):</b>	<p>“One of the best times that I had – from every single perspective – academics, friends, and hanging out - The whole experience. Maybe that’s the killer combination that makes it work in the long run. It’s not a unidirectional experience, it’s multi faceted.”</p>	<p>" Whenever I am making new strides in my career, I always remember my institute with gratitude. It gave me a strong foundation of management concepts that come very handy in my corporate life. "</p>	<p>" The only place in India where Education is not Business. Talent is nurtured by the Great Professors, who had devoted their lives to Corporate and now in a Self-actualization mode to help Young India."</p>
