

Extension activities of a University provide a link between the University and the community. Extension has always been an integral part of MATS University. The participation in extension activities organized by MATS University reflects the following values as a part of the university's social obligation.

MATS University believes that successful people have a duty to make the world a better place and not just take from it. In view of this, the university has adopted its policy to outreach the society which gives the experimental learning to its student as well as satisfies its obligations towards the society keeping in view the social values intact.

For the last five years following extension activities were conducted by various departments of the University in association with the students of the department.

- MATS Law School has been actively encouraging the students to participate in social awareness programme through various modes such as conducting indoor legal aid programme for making people aware of their rights and duties. These programs are organized with the help of Department of District Legal Aid at different places. Such events / programmes are organized from time to time every year.
- MATS School of Biological and Chemical Sciences organized a slum visit on 5th June, 2017 at RVH Colony, WRS in Raipur to sensitize students and residents of that particular area on "Personal and Environmental Hygiene". Students of MATS School of Biological and Chemical Sciences department under the guidance & company of faculties visited the area between 11.00 am to 01.30 pm and spent some time with the people who live there. Activities started with health education on "Personal and Environmental Hygiene" to all the residents which included 20 families. Followed by this, the faculties and students interacted with the residents and had an awareness talk on several issues like "Personal hygiene and sanitation for female", "Environmental hygiene", "Importance of regular Exercise", "Disease prevention" "Ill effects due to Plastic Bags", and "Importance of Plantation" etc. Residents were informed about the importance of managing the waste and sorting the organic and inorganic waste.
- MATS School of Arts and Humanities-English visited Sakraudh and Siyanmara villages and met the self help groups working there proactively. The students of the department made a documentary movie on the working of the groups and promoted it by distributing CD's to various media houses. To motivate their effort the department distributed gifts to each member of the self help group.
- MATS School of Information Technology organizes events like Swachh Bharat Abhiyaan, Blood Donation Camp through Red Cross Society every year, AIDS Awareness Camp, Bicycle Rally, Tree Plantation Drive, Water Analysis In nearby Villages, Gyaansabha, Vigilance Awareness Week, Poster Presentation, Women's Day Celebration at Old age Home, "Udaan" Teachers Day Celebration, MATSdeep Daanotsav are organized and Nukkad – Natak in Rajyotsav was also presented. All these activities in some or the other way sensitize the students towards social issues.
- MATS School of Engineering and Information Technology always take initiative for the betterment of the neighborhood community by social outreach program like free basic computer training to the nearby village students. Students and faculty of the Department

from time to time schedule cleanliness campaign in the campus and in the village Gullu to aware the villagers of importance of hygiene and cleanliness.

- The School also takes initiative to study and test the water in nearby villages. The department of mining engineering gives free career counseling to the students of various Schools of Gullu village.
- MATS School of Education has beautifully organized campaign for avoiding polythene bags in Gullu gram at Arang and distributed paper bags and stitched cloth bags to the villagers and shopkeepers in the nearby areas. As a result many of them started using cloth bags instead of polythene bags.
- MATS School of Physical Education organized sports competition for village students in and around Aarang & encourage them to participate in sports activities.
- NCC and other students of MATS University do rally and cleanliness drive for clean Raipur campaign.
