**MATS School of Life Science celebrates: "National Science Day 2014"**

MATS school of Life Science and Sciences celebrated National Science Day, 2014 on the theme "Fostering Scientific Temper and Energy conservation". On this occasion department organized Seminar on "Science and Technology with perspective of IPR" and Model competition, oral and poster presentation on "Fostering Scientific Temper and Energy conservation". The seminar was delivered by Dr. Sunakar Nayak, Director, NiTza Biotech, Hyderabad.

Mr. Sunakar Nayak explained about the innovations in science, importance of IPR, and its effects on social and economic development. He aware the audience about the famous discovery namely "Raman Effect" by Noble laureate Dr. CV Raman, which is a huge source of motivation and inspiration for everyone.

In the interactive session with the students, Mr. Sunakar Nayak, highlighted the importance of National Science Day. He answered the various questions raised by the students. The questions from the students were wide ranging and related "Fostering Scientific Temper and Energy conservation". Every year Life Science department celebrated national Science Day actively.
