## E-Waste Management

E-Waste Management has become one of the primary concerns as the ever increasing number of devices that human life has to rely on is increasing day by day, making it highly essential to manage E-Waste in a sustainable and greener way. Namo E-Waste Management Ltd, is a pioneer in asset management and electronics recycling, with its top of the line services to efficiently manage, dispose and recycle discarded electronic items. MSIT organized an E-Waste management awareness program on 11.03.2016. The Seminar was taken by Mr. Rishi Tandon (Director at Evershine Business Ventures Pvt. Ltd. ). The Students of Mats School of Information Technology participated in the awareness program.
