

REPORT

Vigilance Awareness Week 2018

Date: 3rd Nov 2018

Place: Marine Drive

Total Students: 50

Faculty In charge: Dr. Snehlata Barde, Mr. Krishna Soni

MSIT conducted a Vigilance Awareness Drive at Marine Drive by the students in which they made efforts to aware the people of the surrounding areas.

The widespread corruption has an adverse effect on the development of a nation. In order to create an awareness about the corruption at different levels students of MSIT observed vigilance awareness week program on 3rd November, 2018. Students showed great enthusiasm in different activities related to the theme. Students were very keen in presenting their ideas through pictures. They learnt how preventive vigilance can help in reducing corruption and enhance accountability at various levels they showed their concern about the theme by presenting their feelings in form of posters and slogans on the topic 'public participation in eradicating corruption'. They took citizen integrity pledge to eliminate corruption from society. Total 50 students and 21 staff members participated in this activity.
